

Line — Unmistakable line. A sophisticated and linear aesthetic personality and an efficient and custom range of functions. Line is the collection of executive, managerial and meeting seats, with elegant cantilevered armrests and ultra-slim seat with distinctive design, embellished by upholstery in luxury finishes, in plain version or featuring horizontal stitching. Line is available with different types of mechanism and in the sled and stool versions.

STANDARD CLASS

Line is the collection that responds with a touch of class, to the needs of executive and manager offices, but also to the needs of meeting rooms and waiting areas.

In fact, Line is available in the executive version with high back, manager, meeting visitors chair and stool.

Line is available with plain upholstery or with elegant horizontal stitchings on seat and backrest.

THE MECHANICS OF COMFORT

Line executive and manager are equipped with a knee tilting mechanism lockable in 4 positions, with anti-shock system and body-weight adjustment by means of a side handle.

Meeting and manager versions are available with a tilting mechanism lockable in working position, one lever, body-weight adjustment or with a tilting system, with gradual rocking toward the back and the front.

ELEGANT ALSO IN THE DETAILS

In addition to feature elegant lines, Line is comfortable thanks to the seat and back padding in shaped foam polyurethane, CFC free.

Different types of upholstery, bases and casters offer the possibility to choose the most suitable version for your needs.

PCON.PLANNER

It will be possible to configure our model Line by using pCon.planner program for the design of 2D an 3D environment.

pCon.planner allows to design working solutions in a fast and intuitive way, creating "realistic" images with advanced features, with a considerable saving of time and resources.

It is easy to start using pCon.planner: after downloading the software in the proper page, it is possible to download pCon. catalog, the practical online catalogue of products ready to be set up according to anyone's need, and then include the products in the projects.

For more information on the use of pCon. planner and the access to the products of the SitLand's catalogues, please contact com@sitland.com

WARRANTY

Line has 5 years warranty.
For any further detail, please contact Sitland's customer service at service@sitland.com

MORE INFORMATION

Sitland spa reserves the right to make modifications and improvements of a technical or aesthetic nature to the products at any time without notice.

Photos and colours shown are used for reference only and may look different in reality.

Please refer to the Price list in force and to the General sale conditions for the colours and the combinations available for every single product.

For any further information, please contact our Customer Service at service@sitland.com
