

Mail — Practicality. Defined by an understated design which underscores its light weight and slim volumes, Mail is a multitasking seat, designed for public and shared spaces. Available with and without armrests and in the stool version, it offers a highly breathable back featuring geometric weaves and a padded seat which can be personalised with different finishes. It can also be fitted with a writing tablet and magazine rack. The version without armrests can be stacked horizontally.

Mail

MINIMALISM AND FUNCTIONALITY

Mail is the collection of visitor chairs with a minimalist design.

Variable in backrest and seat finish, Mail functionally responds to the needs of public spaces and waiting areas.

VERSATILE AND STACKABLE

Mail has a wide range of finishes: armrests, seat covering padded or technical, back in mesh or in polypropylene, practical trolley for the transport of the chairs.

After using, the Mail chairs can be stacked in a simple way and without damaging. A special trolley has been designed to keep in order the Mail chairs and move them easily.

AESTHETICALLY REFINED

Mail stands out for its minimalist design, the backrest in polypropylene or mesh is combined with a wire steel rod frame highly resistant.

In the version with armrests these are integrated into the structure and covered with armrest covers of the same color of the polypropylene of the backrest.

PCON.PLANNER

It will be possible to configurate our model Mail by using pCon.planner program for the design of 2D an 3D environment.

pCon.planner allows to design working solutions in a fast and intuitive way, creating "realistic" images with advanced features, with a considerable saving of time and resources.

It is easy to start using pCon.planner: after downloading the software in the proper page, it is possible to download pCon. catalog, the practical online catalogue of products ready to be set up according to anyone's need, and then include the products in the projects.

For more information on the use of pCon. planner and the access to the products of the SitLand's catalogues, please contact com@sitland.com

WARRANTY

Mail has 5 years warranty.
For any further detail, please contact Sitland's customer service at service@sitland.com

MORE INFORMATION

Sitland spa reserves the right to make modifications and improvements of a technical or aesthetic nature to the products at any time without notice.

Photos and colours shown are used for reference only and may look different in reality.

Please refer to the Price list in force and to the General sale conditions for the colours and the combinations available for every single product.

For any further information, please contact our Customer Service at service@sitland.com
